It's very hard to leave behind the life we know so well. We tend to live from day to day, putting the future aside, but now the time has come to realize that our innocent and carefree days are numbered.

We have much to look back on and so much to look forward to. We remember and form pictures in our mind of the good times we've had—the laughter, the closeness, and the ever-changing tranquility of everyday life. Our memories are fresh; soon they'll begin to fade as the days slip by.

When we part, and go our separate ways, we will try to live the ideas that these years have nurtured. We'll reflect upon the past, and relate our experiences to our future plans. As the times change, so will we, and our high school years will seem like just another stepping stone towards reaching our goals.

We stand now at a threshold in our life. Our perspective is wide and clear, for we can look behind us, and cherish our memories and photographs, and we can look ahead, to new friendships, happiness and success.

DEDICATION

"You give but little when you give of your
possessions
It is when you give of yourself that you
truly give."

Material gifts are easily given. Many times we overestimate their value by placing too much importance on their possession.

Some people possess that special quality of giving from the heart. Their gifts are most valuable although they are seldom appreciated fully. These are the gifts of "self" . . . the gifts of a warm smile, of friendship, of knowledge and experience shared, of understanding and confidence.

As a class we give this dedication, a gift of "ourselves," in appreciation for all you have done as a teacher, advisor, and friend.

In the spirit of giving we offer this dedication to you,
Mr. Larry Grimm

Time it was.
And what a time it was.
It was ...
A time of innocence,
A time of confidences
Long ago ... it must be.
I have a photograph.
Preserve your memories;
They're all that's left you.

FACULTY AND ADMINISTRATION

' A teacher affects eternity,
he can never tell where his influence stops '

—Henry Adams

ACKNOWLEDGEMENT

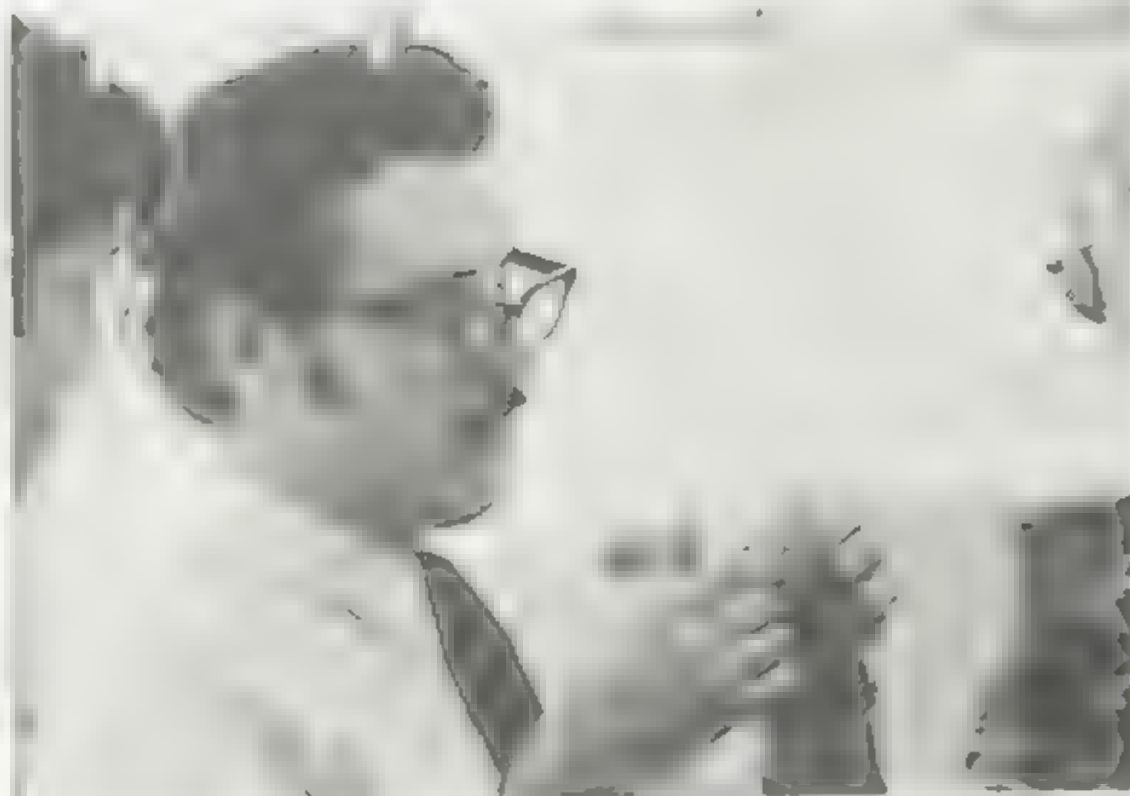

All too often we take people for granted, especially those who have helped us the most. We tend to overlook the small contributions that are made to us each day. Now, we would like to acknowledge a person who has, in his quiet manner, given much to the student body of C.H.S.N

As a teacher you gave to your classes not by dictating or demanding but by sharing knowledge. As students we enjoyed learning in your classroom.

As an advisor you were never too busy to answer our questions, listen to our complaints, iron out our problems, or rectify our mistakes

We the class of 1973, especially the Saga editors, wish to thank you,
Mr. John Santulli

To The Class Of '73

My warmest congratulations to each of you! Your senior year has been distinguished by a variety of activities and achievements which are evidence of the high degree of maturity and responsibility developed by this class over the years.

During your lifetime you have been the witness to a national reawakening and searching for continued purpose. There have been intense, sometimes violent, upheavals. Social and moral values have undergone change. These have been eventful, sobering years, but our nation has steadfastly attempted to surmount its problems and achieve peace abroad and at home.

At Clarkstown High School North you, too, have been through periods of administrative and curricular change. Your individual and collective achievements make us teachers and administrators proud to have had even a small part in helping to direct your lives toward your future endeavors. As you leave us, it is our fervent hope that you have found peace within yourselves, and that your future memories of our school will always be pleasant ones. We, in turn, because of our close relationships, will feel a special warmth toward the class of '73.

May good health and good fortune be yours—forever.

Sincerely,
Tercizio Binotto

Saga—our yearbook, contains a year of important memories and feelings. The Saga staff has worked many long, hard hours trying to picture the many facets of life here at Clarkstown. Saga '73 contains faces of friends we've met, experiences we've shared, our activities and our achievements.

Perspective (where we have been and where we are going) has been chosen as the theme for Saga '73. As we grow and go our separate ways, as our perspective widens, we can look back at our yearbook and reflect on the many memories of the past year.

On behalf of the entire staff, I would like to express my sincere appreciation to our advisors, Mr. John Santulli and Mr. Philip Walker. In addition I would like to thank the student body and faculty for their thoughtfulness and cooperation. I extend my deepest thanks to all the Saga editors and their staffs for their dedication and hard work.

Finally, the whole staff sincerely wishes the best of luck to the class of '73

VARSITY

Head Coach Louis Toscano

The Rams Varsity Football Team completed the 1972 season in fifth place in the PSAL with a record of 4 wins, 4 losses, and 1 tie. Considering pre-season predictions of a ninth place finish, the Rams did well indeed. This is a tribute to the hard work of Head Coach Louis Toscano, assistants Paul Toscano, and Tony Tetro, and to the endless devotion of the players.

The season opened as the Rams sloshed to a 6-6 tie against Ramapo. The weather finally brightened for the Monday game vs. Pearl River. The Rams responded with a 15-0 shutout as the defense bottled the Pirate offense and fullback Steve Lawson ran for 122 yards. The next Saturday the Rams lost a heartbreaker, 6-0 to Tappan Zee. It was a defensive battle in which a disputed call cost the Rams the ball game. The Rams dominated Spring Valley 10-6 to close the first half of the season. Rick Kolka rushed for 127 yards, Dan Starkey booted a state record 50 yard field goal, and Bill Dittmer had 7 interceptions to pace the Rams.

The rainy Nanuet game was a tough 14-8 loss. Lawson and Kolka ran for 201 yards and an 18 yard TD pass for at least a tie was nullified by a penalty, as the Rams dominated except for the first quarter. Nothing went right at Nyack as the team suffered its sole bad loss of the year.

FOOTBALL

The team rebounded to a come from behind victory over Suffern, as QB John Mott connected with Bill Dittmer for a 30 yard TD pass to win it. Mott threw for 97 yards and Kolka sprinted for 143 to lead the Rams to the 15-10 win. Winning was important as the Rams captured the first Gold Cup Game from Clarkstown South. Dan Starkey's 27 yard FG accounted for the 3-0 win but the defense made a dramatic goalline stand at the 2 inch line to preserve the victory. Thanksgiving marked the end of the season as the Rams once again gave the league championship their toughest game of the year, only to lose 14-0. It was a scoreless battle at halftime but the Red Riders took advantage of a few Ram errors to win.

J. V. FOOTBALL

The J.V. football team, under the direction of Coach Gilbert and Coach McWhinnie, completed the season with a record of 3 wins and 6 losses. Success on the J.V. level is not measured completely in terms of wins and losses. The function of a J.V. squad is to prepare the varsity by running the offense and defense of opposing varsity teams. Thus, not too much time is spent on J.V. plays. This unselfish devotion, along with the experience of hitting varsity ballplayers during practice, is the essence of J.V. football.

VARSITY

Coach Dennis Poszar

The 1972 Clarkstown soccer squad fit the pattern of successful Clarkstown soccer, compiling a winning record and finishing high in the PSAL standings. This year the team compiled a record of eight wins, six losses, and one tie while finishing third in the PSAL.

The season was characterized by a series of ups and downs. Hard pressed by a lack of pre-season practice the team lost its first two games to River Dell and White Plains. However, the Rams recovered to upset a strong Washingtonville team for its first win. Following a loss to South, the team went on to win its next five in a row, beating Nanuet, North Rockland, Mount Vernon, Tappan Zee, and Albertus Magnus. During this span the team scored eighteen goals while giving up only two. After a hard fought game against Nyack which the Indians won by a fluke goal the Rams battled a strong Ramapo team to a tie. After a brief letdown against Pearl River the squad set a goal for its final two games. It was decided that if the team was to get to the sectional tournament they would have to win both games by shutting out their opponents and in these two games they would have to score ten goals. They accomplished this, shutting out Spring Valley and Suffern while scoring nine goals. However after getting to the Section 9 tournament the team lost in the quarterfinal round to a strong Middletown club.

SOCCER

This year's team featured two First Team All County soccer players. Jeff Moran, the team's leading scorer, and Dan Starkey, the team's defensive ace, both made All County because of their dependable play. The team could always depend on Jeff for that big play when the Rams needed a goal and they could always depend on Dan's strong foot to stop an opponent's charge on the Ram goal. Bill Gruffi's hustle, desire, and words of inspiration garnered him a place on the Second Team, All County. Other outstanding ballplayers on this year's squad included John Scully, whose scoring greatly aided the team, Mike Pihota, whose ability to be in the right place at the right time always helps, Ed Sullivan, Paul Pirkl, two outstanding fullbacks who always kept the ball in the other team's half of the field, and Terry McArdle and Rick D'Avino, whose excellent goal-tending abilities shut out five opponents. With a large number of lettermen returning next season including Pihota, Rich Polak, Tom Frisch, Geoff Schultz, Dave Rosenthal, and Brian Starkey things look good for the Rams.

Finally, much of the credit due this year's team belongs to Coach Poszar. His stress on skills, hustle, and desire made the Rams a strong outfit. Without this, no doubt, the team's record would have suffered. It is also this type of leadership which will lead Ram soccer teams to success in the future.

FALL

The 1972 Fall Tennis Team finished the PSAL competition with an even slate of 6 wins and 6 losses. Coach John McGalagly had to work with a team that lacked varsity court experience, after graduation took most of last year's championship squad. The manner in which the young talent responded is a positive note for Clarkstown North tennis in the immediate future.

The varsity lineup consisted of Art Trager at first singles, Larry Fein at second singles, with Jim Hancock playing third singles. First doubles was usually the team of Charlie Nicholson and Bill Mahan, while Mitch Brand and Mike Kilgannon manned the second doubles slot.

CROSS

Coach Francis Cooney

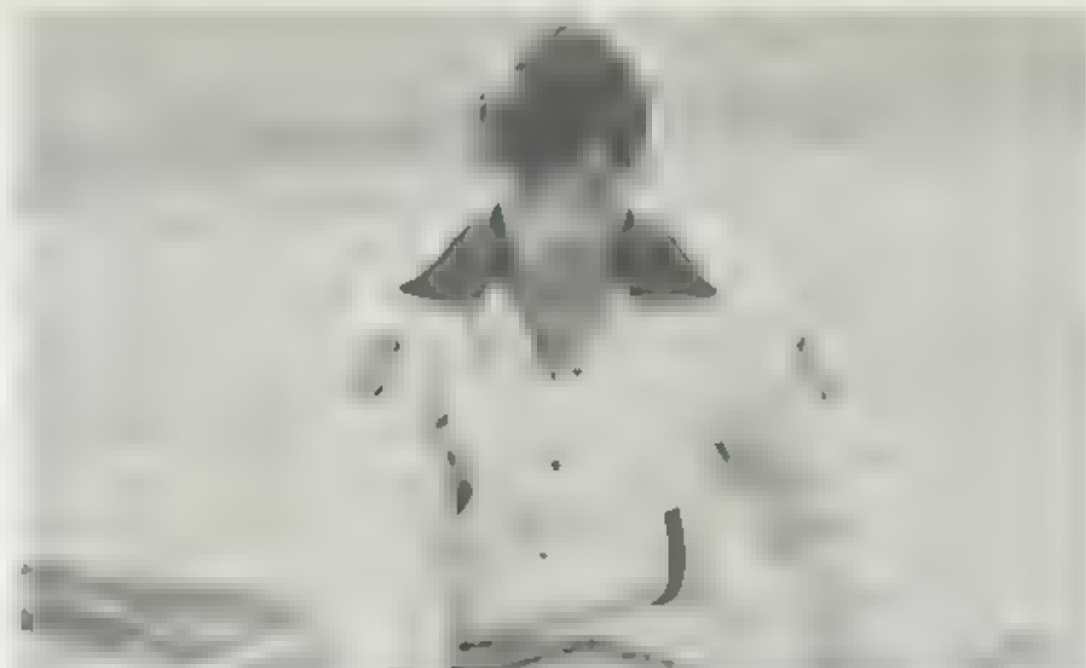

Cross country is an individual sport and, although the team did not fare well this year with a 4-11 record, Coach Cooney characterized this team as a young team which worked hard to improve itself. Most notable of these individuals was Dan McCormack, a talented sophomore, who consistently ran well all season and eventually earned himself a trip to the State Meet.

The dedication and hard work of some of the seniors on this year's team deserves special mention. Members of this illustrious group include Mike Murphy, Bob Benson, and Marty Thorsen.

The outlook for next year looks promising as, besides Dan McCormack, some fine runners return. Included in this category are juniors Jim Ryan and Charlie Luinetti, and sophomores Steve Peters, Rich Stember, and Dennis McCormack.

VARSITY

Coach Edward McGrath

This season was definitely not one in the traditional sense for Clarkstown North and Coach Ed McGrath. Though young and inexperienced the team's 6-12 record didn't represent the team's overall talent.

At the beginning of the season the team got off to a slow start, losing three out of its first four. After the win over St. Joseph's in the home opener the Rams lost to Mount Vernon, Suffern, and North Rockland. However, after that, the team won four out of the next five, beating Nyack, Ramapo, Tappan Zee, and Pearl River while losing only to Bergen Catholic. Unfortunately that was the end of the good times for the Rams as they lost seven out of their remaining eight PSAL games, beating only hapless Nanuet, and then absorbed a disappointing 56-46 loss to Pearl River in the opening round of the sectionals.

However, to do justice to a team that should have had a better record let's discuss some of the talent that graduates and some of the talent returning next year.

Tom Holstein, top rebounder this year, was a player of All County merit. His rebounding and clutch shooting were excellent as he got the most out of his ability despite his

BASKETBALL

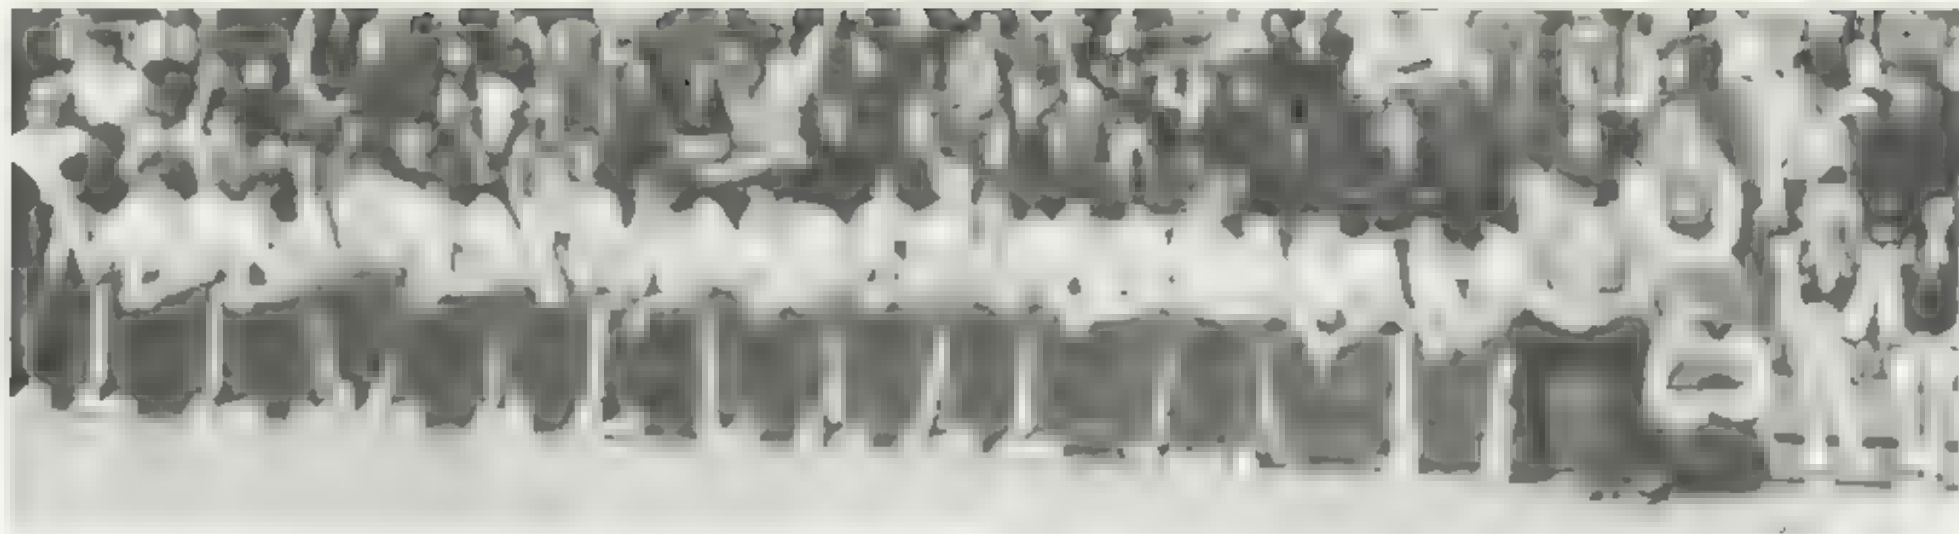

limitations. Marc Fuchs was the defensive ace of the ball club and deserves a lot of credit as he did it mostly on desire and hustle. Bob Ludwig enjoyed a good start before hurting his ankle against Nyack. He definitely has some ability and may come on in college. Bob Groves has a good jumper and with his height he may play ball at college. There isn't enough you can say for John Mott and his great attitude and hustle. A fine ballplayer John came on late in the season and started the last two games. Finally, Gary Kaplan has "more moves than a can of worms." This and his ballhandling are his two biggest assets for the future.

Finally returning next year are four players of merit. Bill Rubbert was the best shooter on this year's team. His clutch shooting and possibly a more rounded game may garner him All County recognition. Bill Beckley was the leading assist man this year. His ability to run the offense and direct things looks promising for next year. Bruce Fritz and Steve Lawson both can rebound and sometimes shoot with the best in the league. Put this together with a few "sleepers" and next year's team could bring the PSAI crown back to Clarkstown. Let's hope so. There is no place for losing when it comes down to the Clarkstown Rams and basketball!

Seniors Tom Holstein (#52) and Marc Fuchs (#32) were the leaders on this year's team. Not only did they contribute points, rebounds, and defense, but by their fine example showed just how much can be achieved through great determination and desire.

This year's junior varsity basketball team, under Coach Donald Grider, posted a fine 10-4 record in PSAL competition. Noteworthy performances were turned in by Jim Murray, Rick Rubbert, Tom Smith, Art Pentimone, Marv Hampson, and Marc Robinson. Combined with returning ballplayers from this year's varsity, these players could make the 1973-74 basketball team a title contender.

VARSIITY

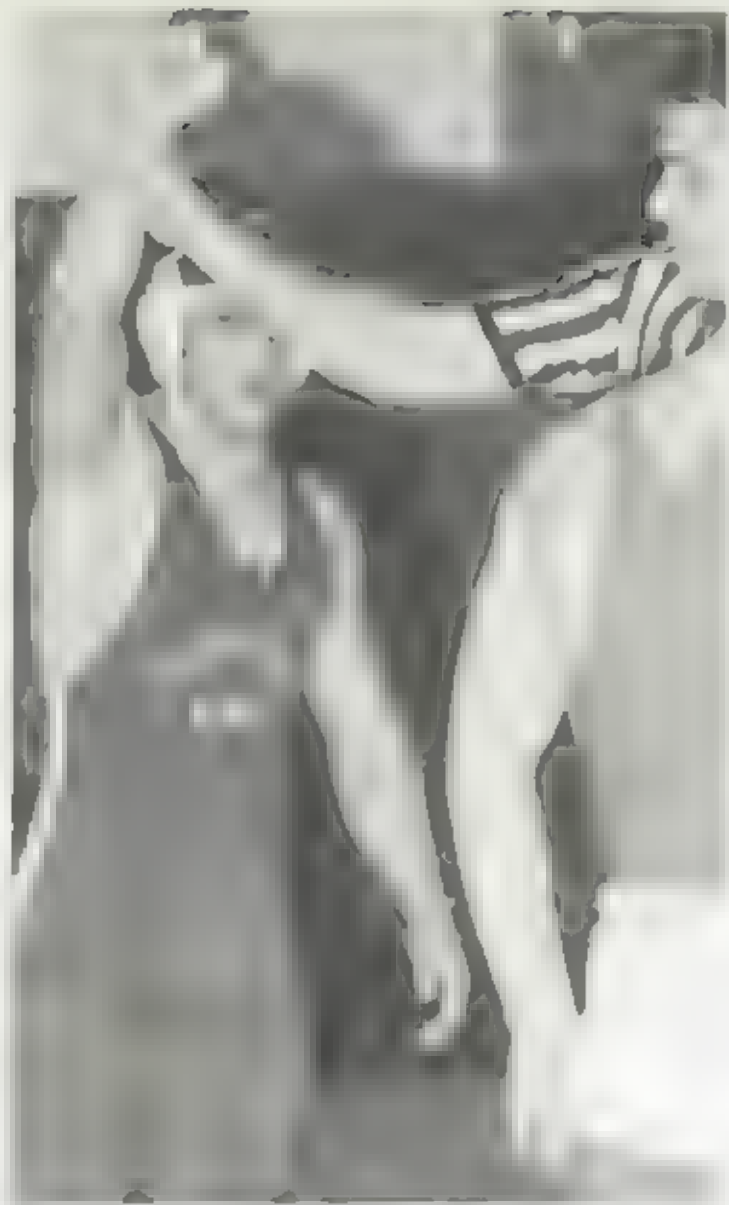

Coach Charles Eccher

The Varsity Wrestling squad experienced a rough season this year, posting a 2-7 record in PSAL action and 3 wins and 11 losses overall. However, the squad was young, the team consisting of 4 freshman, 7 juniors, and only 3 seniors. The starting lineup read as follows: in the lower weight classes Chris Rose led off at 98 lbs., following him were Ken Garnett, 108, Jeff Anderson, 114, and Frank Castelli, 121; the middle weights were Bill Pasqua, 129, Mike Consiglio, 135, Tracy Karp, 138, and Greg Dellapenna, 148; the heavyweights consisted of Jim Leyh, 158, Mark Fleiger, 170, Marty Spector, 179, and Don Smith, unlimited.

Several Ram grapplers turned in outstanding performances in post-season competition. The District Tournament saw the Rams place well, as Greg Dellapenna, 148, finished first, Bill Pasqua, 129, placed second, Mike Consiglio, 138, and Jeff Anderson, 114, copped thirds, and Ken Garnett, 108, finished fourth. At the County Tournament, Jim Leyh placed fourth at 158 and Consiglio third at 135. Only one Ram received honors at the Section 9 Tourney; Bill Pasqua earned fourth place in the 129 pound weight class.

Although this year's record illustrated how inexperienced the varsity was, many Ram underclassmen who came into the season as rookies are now veterans. With 11 returning lettermen coach Charlie Eccher is sure to have a tough squad next year.

VARSITY

This year is definitely a rebuilding year in lacrosse. With only one letterman, Marty Thorsen, returning from the 1972 squad the play this season will definitely reflect a young and inexperienced team. However, if certain players respond and come along this season, combined with the coaching ability of Mr. Michael Goetz (the Wizard) the team could have a fine season and finish high in the newly formed PSAL Lacrosse League.

ACTION

What was the GAA this year? It was a bunch of girls coming together to work and laugh and have fun. It was time during school and after school. It was cheering for yourself for your team or for your squad. It was making the dance a success. It was Miss K, Miss Hamilton, Miss Hirschfield, Mrs. Mott and Mrs. George. It was the newsletter. It was first-place teams and wait-till-next-year teams. It was decorating the boys' locker room. It was painting signs. It was twirling during halftime and after lunch. It was intramurals. It was Secret Packages over the locker room before Christmas vacation and the cookie tin for Leader Corps. It was an exquisite time.
